

JOB TITLE: Family Stabilization Services Social Worker

LOCATION: JJC Family Services, 100 W. Coulter Street, Phila., Pa 19144

ROLE

The FSS social worker's prime responsibilities are to assist family well-being, to ameliorate the circumstances that brought the child(ren) to the attention of the court, and to ensure child safety through closely monitoring the case, by delivering strengths-based counseling, improving the families' own capabilities to use resources appropriately, referral to community resources and the provision of structured interventions to the family.

STATUS This position is a professional, salaried, "exempt" position. Salary is based on experience. Salary range is from \$26,024.00 to \$28, 024.00.

HOURS OF WORK

Assignments are based on a 40-hour week. Agency accountability rules apply, so that the program knows where workers are at all times when they are at work.

There are no traditional office hours. Social workers may have to work at all hours of the day and evening and at weekends to provide maximum involvement with the family and the identified child(ren).

ESSENTIAL REQUIREMENTS

1. A bachelor's degree in human services, preferably social work (BSW) or counseling, plus two year's experience in family-based social work.
2. An annual physical form verifying that the employee is "free from contagion".
3. Act 160 and FBI Clearances dated no later than 60 days prior to employment
4. The ability and willingness to adjust work hours in accord with client schedule.
5. The use of currently inspected and reliable car, including the possession of current automobile insurance and driver's license.
6. A proven and demonstrated ability and experience in working with community resources.
7. The ability and willingness to work with a wide range of ages, neighborhoods, cultural views, and parenting experiences.

WORK SKILLS: Strong assessment skills; ability to advocate for the best needs of the family; ability to multi task; strong writing skills; ability to remain tactful and professional when interacting with other professionals and resistant clients.

BENEFITS:

Health Insurance available at the conclusion of 90 day orientation

Voluntary life insurance, short and long term disability at the conclusion of 90 day orientation

Dental Insurance available after one full year of service

401 K employer match participation after one year of full time service

Paid vacation, sick time, personal days, and holidays.

Mileage Reimbursement

Above details relating to the position, responsibilities, salary, and benefits are subject to change.
